

Insurance for Community Associations

Insurance for Community Associations

For over 30 years, insuring community associations has been one of our specialties. By carefully analyzing your association's unique characteristics and risk exposure, our insurance professionals will recommend the best coverage solution for you.

Our goal is to build the appropriate risk management program for you at a competitive price.

▶ Peace of Mind

We can help protect your community association's assets with coverage integrity through our portfolio of quality insurance carriers. Our commitment to excellence involves a solution-oriented approach to ensure the best possible coverages are in place.

▶ A Trusted Partner

We partner with you by educating your board members and unit owners through meetings and classes, and providing comprehensive proposals for review. Community associations have unique risks. Our team of dedicated insurance professionals has the expertise to build a viable insurance program for your community.

▶ Unparalleled Client Service

As your trusted broker, we provide year-round client service and accountability. We provide additional services to best advocate for you, including:

- Issuing Mortgagee Certificates of Insurance
- Reporting and monitoring of claims
- Unit owner packets
- Education to homeowners on the community's master policy and their own HO-6 policies
- Assistance to unit owners coordinating their personal insurance with the master policy
- Board meeting and annual meeting presentations
